

The Prayer: Rise with Jesus

30 Days to Transform Your Life · a Christian devotional by Stefania Fernanda Leao & Alexander Debelov

ABOUT THE BOOK

Each morning pairs scripture, a short reflection, a written prayer, and an original watercolor - a quiet practice designed to take just 5 to 10 minutes. Written in one of life's darkest seasons and now read in some of its brightest, the book is ecumenical and non-denominational, made for any seeker who wants a beautiful way to begin the day.
